

California Climate Credit Bill Relief from the Cap-and-Trade Program

A Message from the California Public Utilities Commission

This October* your utility bill will include a credit identified as the “California Climate Credit.” Your household and millions of others throughout the State will receive a similar credit on their bill.

The California Climate Credit is a direct result of the State’s Cap-and-Trade Program that requires polluters to pay for climate pollution. Credits are distributed in April and October each year. Credits appear automatically on your bill and are designed to help utility customers during the transition to a more sustainable future. Below are the distribution amounts and schedule for the California Climate Credit in 2025:

2025	APR	OCT
Gas CA Climate Credit	\$54.21	
Electric CA Climate Credit	\$81.38	\$81.38

Continued on back

Since 2014, SDG&E® households like yours have already received \$1,106 in California Climate Credits on gas and electric bills, totaling more than \$12.9 billion in Cap-and-Trade Program cumulative benefits statewide.

For more information about the Climate Credit, visit **www.cpuc.ca.gov/climatecredit**.

For more information about additional programs that are funded by the Cap-and-Trade Program to reduce carbon pollution, improve public health and the environment, and provide meaningful benefits to the most disadvantaged communities, visit **www.caclimateinvestments.ca.gov**.

**Billing periods vary by utility and may not always coincide with a calendar month. If you don't see a Climate Credit in the bill that arrives this month, it will appear in the bill you receive next month.*

The CPUC regulates privately owned electric and natural gas companies and serves the public interest by protecting consumers and ensuring the provision of safe, reliable utility service and infrastructure at reasonable rates, with a commitment to environmental enhancement and a healthy California economy. For more information about our work, visit www.cpuc.ca.gov. If you have a question or complaint concerning a privately owned utility, call 1-800-649-7570 or visit www.cpuc.ca.gov/utilitycomplaint.
